GENERAL STUDIES   Sep 2012 - Jun 2015
Lycée Arsonval, Tours, France

Bachelor Kitchen/Food preparation   Sep 2015 - Jan 2017
La Cité des Formations - CFA, Tours, France

Projects

Web developer
Built my portfolio.
Technologies: HTML, CSS, Java.
Website: www.edmondagalliu.online
https://github.com/EdmondAg/edmondagalliu-online

Silence remover application
Created an application that removes unnecessary silences and glitches from an audio file. The application takes the audio file and removes interruptions and high-pitched noise between phrases or words.
Technologies: Python, Kivy
https://github.com/EdmondAg/SilenceRemover

Pizzeria website
A simple website with a menu of pizzas.
Technologies: Python, HTML, CSS, Django
https://edmondagalliu.pythonanywhere.com/

Certificates

Software development academy   Present
Java from scratch

Qualities

■ Critical-thinking

■ Attention to details

Hobbies

■ Art

■ Philosophy

■ Phonology
